	Junior 9 Final	2.20pm
	Men's B Final	2.30pm
	Men's A Final	2.40pm
	Prize Giving	Immediately on conclusion of matches

*with the agreement of both players, the ties in these rounds of matches can be played at any time on the designated day. **Please ensure that you advise a member of Match Committee if you plan to play outside of the advertised tee time.** This option is only available if both players are in full agreement, otherwise the published times will stand. This option has been made available as we are cognisant that light could be tight for us during Championship week and we are looking to do all we can to ensure that all ties can be completed within the daylight available (weather we can't make too many allowances for I am afraid!).

Whilst the current restrictions on social gatherings (indoors) will prevent the traditional Champions Evening celebrations, we would encourage all members to support Championship Week. Please come down and watch the games being played over the course of the week and into finals day on Saturday 8th and whilst all of the standard physical distancing measures will remain in place, there will still be an opportunity to support the players.
